

Submission Checklist Form – Dictionaries

Please return this with your manuscript files. Your full answers here will ensure an efficient and faster transition to our production department.

Please add text to this PDF form and tick the checkboxes as required

Book title

Author/Editor information and affiliation(s) to appear in the book and all promotional material

Please provide your full name and editor affiliation as to appear in all promotional material. Our house style is the following format: Name, Professor of... (if applicable), Department name, University/Organisation name, Country e.g. Joe Bloggs, Professor of Marketing, Department of Marketing and Management, University of Townsville, UK

Preferred postal address(es) for all authors/editors

If multiple authors/ editors, please indicate which editor will be the main point of contact for queries.

Preferred email address(es) for all authors/editors

If multiple authors/editors, please indicate which editor will be the main point of contact for queries

Copyright and Self-plagiarism

Please confirm you have sought and received permission, and made suitable acknowledgements where needed, for all material that is not original to this work, including your own previous published work. If the work is to be published Open Access, you must also request permission for this use. Refer to [Copyright and other legal issues: Your essential guide](#).

GDPR

Please confirm that, where relevant, you have sought and received permission to publish photographs and personal data of individuals from any and all subjects that appear in the manuscript. *This ensures that your work complies with strict UK and EU data regulations.*

Libel

Please tick to confirm that your manuscript does not contain any libellous, defamatory or injurious statements or implications about living persons, companies, institutions or other organizations that could result in libel claims or be the cause of litigation.

AI generated content

Please tick if you have included AI generated content. More information can be found [here](#).

Contributor Information (for edited or multi-authored books)

Contributors are aware the manuscript has been submitted and they have granted consent to publish

Contributors have confirmed these are the full and final version of all their entries

Permission received, and suitable acknowledgement where needed, for all material that is not original to this work, including their own previous published work

Permission to publish photographs and personal data of individuals from any and all subjects that appear in the manuscript has been received

Entry titles and contributor names are correct, consistent, and match across the Table of Contents, List of Contributors and entry files

Signed copies of the Contributor Agreement stored for each contributor (there is no need to send us copies)

Please tick to confirm that the ORCID number(s) of all contributors have been supplied in a separate Word file

Material Submitted Checklist

All entries submitted

These files represent the full and final version of each entry. *We cannot begin work until all material, in its final version, is received by us*

Total word count (including notes, references, front matter and figures) is within the agreed contracted length

Entries submitted in separate files and not in one composite file - one file for all 'A' entries, another file for 'B' entries and so on

List of Contributors (for edited or multi-authored books) or List of Contributors and their Entries supplied

Table of Contents submitted

If your book is authored please tick to confirm that the list of references appears at the end of your book. Please see the link [here](#) for more information as to why this is important.

Tick box below if included, strike-through if not applicable:

List of abbreviations	Introduction
Foreword	Bibliography
Preface	Dedication
Acknowledgements	A list of any spelling, reference or style conventions used

Maths and non-Roman characters

Please tick the box if any of your entries contain maths.

Please tick to confirm that the maths has been input correctly according to our house style here on our [Author Hub](#). It is vital to do this, given that we are not able to make changes for you.

Please tick to confirm that PDF and Word versions have been provided of entries containing maths or non-Roman characters e.g. Chinese letters, to ensure that these characters have not been corrupted. Specify which letter sections:

If you wish to include Tables and Boxes, Figures, Graphs, Maps and Photographs please contact your commissioning editor as soon as possible and prior to submission

Accessibility

Under the European Accessibility Act (EAA) we can not sell the eBook edition of your book in the EU if it does not meet accessibility requirements. Our accessibility guidelines can be found [here](#) on the Author Hub.

Please tick to confirm that you and/or your contributors have provided alt text for all images and summaries for any lengthy or complex tables in a single separate Word file (a template for this can be downloaded from [here](#) on our Author Hub, clearly indicating the figure and table number and caption that the alt text belongs to (i.e. Figure 1.1, Table 3.2 etc.). Please provide further information below if required:

Description of your book

This will appear on the book cover, in catalogues, on our [website](#) and [ElgarOnline](#). It is crucial that we get this written in good time and that we receive sufficient material to prepare an engaging, clear, and concise description. Please include your answers to the queries below and we will send the description on to you for your approval.

In no more than 150 words, please describe the book in non-technical layman’s terms including brief details of the book’s main objectives, disciplines drawn on and from, notable themes, valuable and other unique elements of content or format, :

What distinguishes this from other similar Dictionaries (if applicable):

Special features of the Dictionary in 5 or 6 bullet points:

If you were researching in this general topic, which 6 keywords would you use to find books and articles of interest in Google? Please do be as specific as possible.

E.g. For the Dictionary of Ecological Economics: ecological economics; ecological economics history, ecological economics terms and definitions, ecological economics methods. For, for the Dictionary of Public Policy: Glossary of Public Policy; Public policy definitions; Keywords in public policy; Public policy reference book

In order of importance, what is the prime potential readership for your book, including subject areas and disciplines, and the reasons for their interest:

Endorsement Quotes

We are keen to promote your Dictionary to the best of our ability and would like to source a number of supportive endorsement quotes to help with this. Please could you supply the names of three or four eminent figures in the field who I could approach in this way, ideally representing the diversity and international range of the subject and, if possible, with at least one based in the US? In return, they will receive a complimentary digital copy of the book. Please note these endorsers cannot be entry contributors.

Submission

You can submit your manuscript files to your commissioning editor either via email or Dropbox.

Once you have shared the manuscript with us, please do not make any further changes to the Dropbox files, as once we have downloaded the files, we will not look at this again.
